

ADOPTING THE MENTALITY OF GRATITUDE  
FOR DESTINY  
FULFILMENT

Apostle Peter Mwarabu

- The choices we make are very powerful.
- Your mind is a powerful tool. How you use your mind determines whether you'll progress or not.
- What you allow to cross your mind determines what crosses your life
- Meditation determines the direction your life takes.
- You are a product of your thoughts.
- Mentality is the voice of your mind.
- You are a collective product of your thought.
- God answers thoughts as well as your prayers.
- **Gratitude** is an application for more.
- Your thoughts are louder than your words.
- Every experience we go through is not a waste.
- You'll arrive where you are going if your thoughts take you there
- You can never grow beyond your level of thinking.
- Mentality determines height.
- Your mind can be saved through the word of God.
- You can't succeed if your mentality is not renovated.
- Only a wise man changes his mind.
- You can't attract what you don't celebrate in others.

- The people you've allowed to surround impact your life on how you look at things
- Thoughts become things that if you see it in your mind you'll hold it in your hands.
- Whatever you see when you're awake is powerful than what you see when you're asleep.
- The just shall live by faith.
- If it is clear to you it shall be cleared for you.
- Everything becomes difficult before it becomes easy.
- Be thankful for what you have. You'll end up having more.
- If you concentrate on what you don't have you will never ever have enough.
- Having a heart of gratitude is an application to receive more.
- If you're thankful what you have becomes enough.
- Whatever your mind can conceive you can achieve.
- If it is conceivable it is achievable.
- What you verbalise you can actualize it.
- You can create your own world by the words you meditate on.
- What you radiate outside e.g. thoughts and feelings is what you attract in your life.
