

# DIVINE IMPACT THROUGH THE WORD OF GOD

PASTOR EDWARD  
NJOGO

- Prosperity does not happen, it is not something you stumble upon, it is something intentional.
- We choose success and prosperity.
- If you don't choose success other negative things will choose you.
- The word of God is our life. If you don't live by God's word you are dying in instalments.  
(*Deuteronomy 11:18*)
- What is in your heart will be known when you speak.
- For the word to be effective in our mouth it must find room in our hearts. (*Psalms 119:130*)
- The effectiveness of the book of the law is when it is written in our hearts.
- When you are guided by the word you can't make a wrong move (*Psalms 119:105*)

## **HOW TO ALLOW THE WORD OF GOD INTO YOUR HEART**

1. Become a man after God's heart (*Acts 13:22*)
  - Fix your eyes on Jesus (*Hebrews 12:2*)
2. Through teachings
  - We mature and grow through teaching.  
(*Ephesians 4:11-16; 4:14*)
  - God has given some people the ability to teach in their hearts. (*Exodus 35:34*)
3. By searching scripture (*Acts 17:10-11*)

4. By letting ourselves and hearts be circumcised/cleansed. (*Hebrews 4:12 & Ephesians 6:17*)

### **BENEFITS OF STUDYING THE WORD**

1. You start to know things not known by others. (*Deuteronomy 29:29*)
2. You become prosperous. (*Psalms 1:1-3*)
3. You are kept out of sin. (*Psalms 119:11*)
