

THE WORD-CHANGES ME

REVEREND ARNOLD
OMURWA

- The word of God is profitable for many things.
- The word has wrapped up everything you will ever need in this life. (2 Timothy 3:16)
- The greatest profit you will ever receive is for the word to first change you.
- It is a tragedy to be saved and remain in sin.
- Until you change from within you'll never change from without. (John 8:9-11)
- Until you remain with the word you can never change. (Matthew 4:18-22)
- Unless you have a personalized word from Jesus you will never have His will.

WHY MUST YOU CHANGE FIRST BEFORE CHANGING OTHERS?

1. Each one of us was born a sinner.
 - (John 17:17 & Psalm 51:5)
2. Each one of us is prone to the flesh. (Genesis 16:2-3 & Galatians 5:17)
3. We are creatures of sight. After the fall of man we no longer live in faith naturally. (Romans 10:17)
 - It is only in the word we can see who God really is.
4. Our natural inclinations tend to rebel against the will of God. Align yourself to the will of God.

Changes God is calling us to embrace.

1. Prayerlessness.

- This means praying less.

2. Come out of negative attitude.

3. Temperaments.

4. Unteachable.

5. Immorality.

6. Slackness in kingdom service. (1 Corinthians 15:58)
