

**DISCOVER THE  
POTENCY IN GOD'S  
WORD**

**Reverend Arnold  
Omurwa**

- If you want results from the word you need to invest in the journey of the journey.
- The word of God is a gift to us.
- You can lack everything but never lack the word of God (Psalms 33:6).
- The word is powerful because God's nature is unchanging (Numbers 23:19).
- The word of God is not debatable. (Psalm 119:89).
- God values His word more than His name (Psalm 138:2).
- The integrity of a man is found in the words they speak.

### **HOW POTENT IS THE WORD?**

1. *The word will never return to God void.*
  - It accomplishes its purpose. (Isaiah 55:11).
2. *The word comes to water.*
  - The word was not meant to perform magic, but to accomplish its purpose your life. (Isaiah 55:10)
  - We must stay at a place of consistent watering (Psalm 1:3)
  - You can't make impact if you are not watered.
3. *The word has the ability to produce fruits and bring forth a harvest. (Isaiah 55:10)*
  - Harvest is assured when you are in constant watering (Jeremiah 17:8)
