

FAITH DEMONSTRATION FOR GREATER IMPACT

Apostle Peter
Mwarabu

- Faith is the switch to power.
- Nothing moves God apart from faith.
- Faith is what moves God into action.
- If it is clear to you it shall be activated to you.
- Faith is visible. It is something you should be able to see.
- Faith is a spiritual force in the heart of man that must be released in order to achieve desired results
- Faith is demonstrated and not only believed.
- What you fear also fears you.
- You cannot conquer what you fear to confront.
- Faith is a risk. Every man of Faith is a risk taker.
- Faith is not something we possess but something we demonstrate
- Procrastination is a thief of time.
- Faith is work. Faith is an action.
- Faith is visible. It is something you should be able to see. (Mark 2:5)

HOW TO DEMONSTRATE FAITH

1. Acting your expectations not your situation. (Luke 17:14)
2. Resisting everything that stands on the way to results.
3. Act in line with what you believe.
4. Your revelation must be backed with action (Mark 2:11).
