

Mysteries of Faith

Pastor Joseph Nderitu

FAITH

1. Faith is the hand that stretches out to receive what grace has provided.
 - The grace of God provides and faith receives
2. Faith is a confident trust in God as revealed in scriptures and His promises.
3. Faith is the depth of conviction and the drive to act upon the word (Hebrews 4:1-2)
 - Faith that is not acted cannot help you.
4. Faith is a law (Romans 3:27)

WHAT TO DO ACCORDING TO THE LAW OF FAITH

1. Speak what you expect from God (Mark 5:28)
2. Don't doubt what you have said in your heart (Mark 11:23)
 - You fight doubt by hearing more in that area.
3. Maintain your confession without wavering.
 - The word of God is the basis of faith
 - If there is no word for it then there is no faith for it
4. See what you are praying for before you receive it (Mark 11:23-24)
5. Every believer has faith (Romans 12:3)

IMPORTANCE OF FAITH

1. Without faith it is impossible to please God
2. Faith moves God to action (Mark 2:5)
3. Our faith can encourage others (Colossians 1:3-4)
4. Jesus sees our level of faith (Matthew 15:28
Matthew 14:31)
