

OVERCOMING CARNALITY IN THE PURSUIT OF FAITH

Rev. Arnold Omurwa

- Holiness with contentment is of great gain.
- Most times the things you wait for God to do for you are a function of faith.
- Faith is your responsibility.
- Carnality is defined as the fallen nature of man.
- Carnality is a major contributor of faithlessness
- The carnal effortlessly refuses to align with God.
- Effortlessly the flesh cannot speak the way God speaks. (2 Kings 7:1-2)

WHY SHOULD YOU OVERCOME CARNALITY

1. Carnality is death to a believer.
 2. You create enmity with God.
- Carnality is befriending the systems of the world thinking that they are better than the systems of God.
 - Carnality will never please God.
 - Carnality sails a man to sin. (Romans 7:14)
 - Carnality and faith cannot board the same bus.

AREAS YOU NEED TO OPERATE IN FAITH **OVER THE FLESH**

1. Choosing a life partner. (1 Thessalonians 4:3-5)
2. When you are contending for your God given calling/destiny (Genesis 12:1)
3. Commitment to Kingdom Service. (1 Corinthians 15:58 & Matthew 24:46).
4. When you are contending with the battles of life. (1 Samuel 17:4-8)
