

PURSUIT OF FAITH

Rev. Arnold Omurwa

- Blessed are those who have not seen and yet have believed. (John 20:29)
- Life by itself is lived through faith.
- God has created us to have some believe
- The irony in life is that we are unable to practice faith in God.
- Faith is a journey. It needs to be practiced. (Isaiah 26:3)

WHY IS FAITH IN GOD A JOURNEY?

1. Faith in God has no plan Bs. You have to exclusively believe in God.
 - Faith is worth dying for. (Hebrews 11:13)
 - It is better to die having believed in God than to die not having faith. (Hebrews 11:35-39)
2. Faith must have the eyes to see afar off. (Hebrews 11:13)
 - The eyes of faith see the future.
 - Never see yourself Yesterday.
 - The brothers of Joseph never saw him in his tomorrow they saw him in his today. (Genesis 37:19).
 - Seeing afar off also means faith sees the best and not the worst in people.
3. Faith is embraced
 - We embrace faith by allowing the faith of God to be part of our lives and thought process.
 - Faith actions are irrational and illogical. (Daniel 1:12-13 & Luke 17:14)
 - If we don't embrace faith we'll overthink it.

4. You are a human being and you need the help of God. (Philipians 3:14)

Results of daring in Faith

1. You become a barrier/limit breaker.
 - Abraham broke the barrier of his father and he went forth (Genesis 12:1)
2. You become a pace setter for your generation.
3. You become a record breaker.
4. You become a change agent.
